

The logo features a black silhouette of a tree with a full, rounded canopy and a single trunk. The tree is centered horizontally and partially overlaps the text below it. The text 'CRYPTOSEED PARTNERS' is written in a bold, black, sans-serif font. The word 'CRYPTO' is in all caps, 'SEED' is in all caps, and 'PARTNERS' is in all caps. The letters are closely spaced. The entire logo is set against a white background with decorative elements: two concentric dashed circles and a solid light blue circle that passes through the tree's trunk. Two small blue dots are placed on the solid circle, one at the top and one at the bottom, creating a vertical line through the tree's trunk.
