# 1. Disclaimer

By using DogeBNB coin, website, or the ecosystem, you accept the risks associated with the crypto, transactions, and private keys. You accept the following and any other risks related to the DogeBNB token:

- Cryptocurrencies are high-risk investments and highly volatile. Cryptocurrency may become even worthless. From the time of purchasing DogeBNB til the time you get the cryptocurrency delivered to your wallet, the DogeBNB value can be higher or lower than at the time of purchase. You are aware of these risks, and agree that the DogeBNB foundation is not committed to repurchasing DogeBNB tokens from you;
- Before you invest, make your own research. If you have concerns please ask your financial advisor.
- Cryptocurrency transaction is irreversible. If you make a mistake sending DogeBNB to the wrong address or using the wrong network deposit address, you funds will be lost.
- All the information published on dogebnb.org website is provided for educational purposes, and does not include investment advice. DogeBNB foundation disclaims all responsibility, direct or indirect loss, or damage from the use of website information.
- If you lose your private keys we can't help you to recover your funds. You are aware of the risks associated with private keys. You agree that if you lose your private keys the funds will be lost.
