

Hachiko Inu [\$INU]

WHITEPAPER

INTRODUCTION

Hachiko Inu (\$INU) is a decentralized ERC-20 Crypto Currency token. \$INU is a token based on the famous story of Hachiko. As such, Hachiko Inu token rewards loyalty, which is why 5% of all transactions go to their holders. Such a high percentage is crazy, but we want to support the holders of these tokens.

Our mission is to increase the price of this token to the maximum.
