JETSET TOKEN

PURPOSE

Jetset is a utility token used in the ever-growing industries of travel, wellness, beauty, and luxury lifestyle. Everybody deserves a quality of life and using JetSet will set the gold standard of living. We have strategic partnerships that will offer rewards on travel packages, giveaways, discounts, and exclusive events around the world. Our ecosystem will include NFT marketplace, JetSet Dex, and token wallet to hold JetSet and other coins.

JetSet isn't just a token, It's a lifestyle.

JETSET TOKEN

Business Model

We plan to monetize our ecosystem with various products.

01

JETSET SWAP

A decentralized exchange where consumers can buy and sell their tokens on the Binance Smart Chain.

02

JETSET WALLET

A crypto wallet holding JetSet tokens and other coins.

03

NFT MARKETPLACE

We will have our own marketplace where buyers and sellers can purchase our NFTs and launch their own projects.

04

NFT EVENTS

Exclusive curated members-only events for our NFT holders. Locations will be provided by our partners at [Socalocations.com](https://www.socalocations.com).

JETSET TOKEN

Tokenomics

3%
Charity

Funds will go into a charity wallet. We will choose a charity each month to work with.

5%
Marketing

This will be used for expanding the awareness of the token and other products of JetSet.

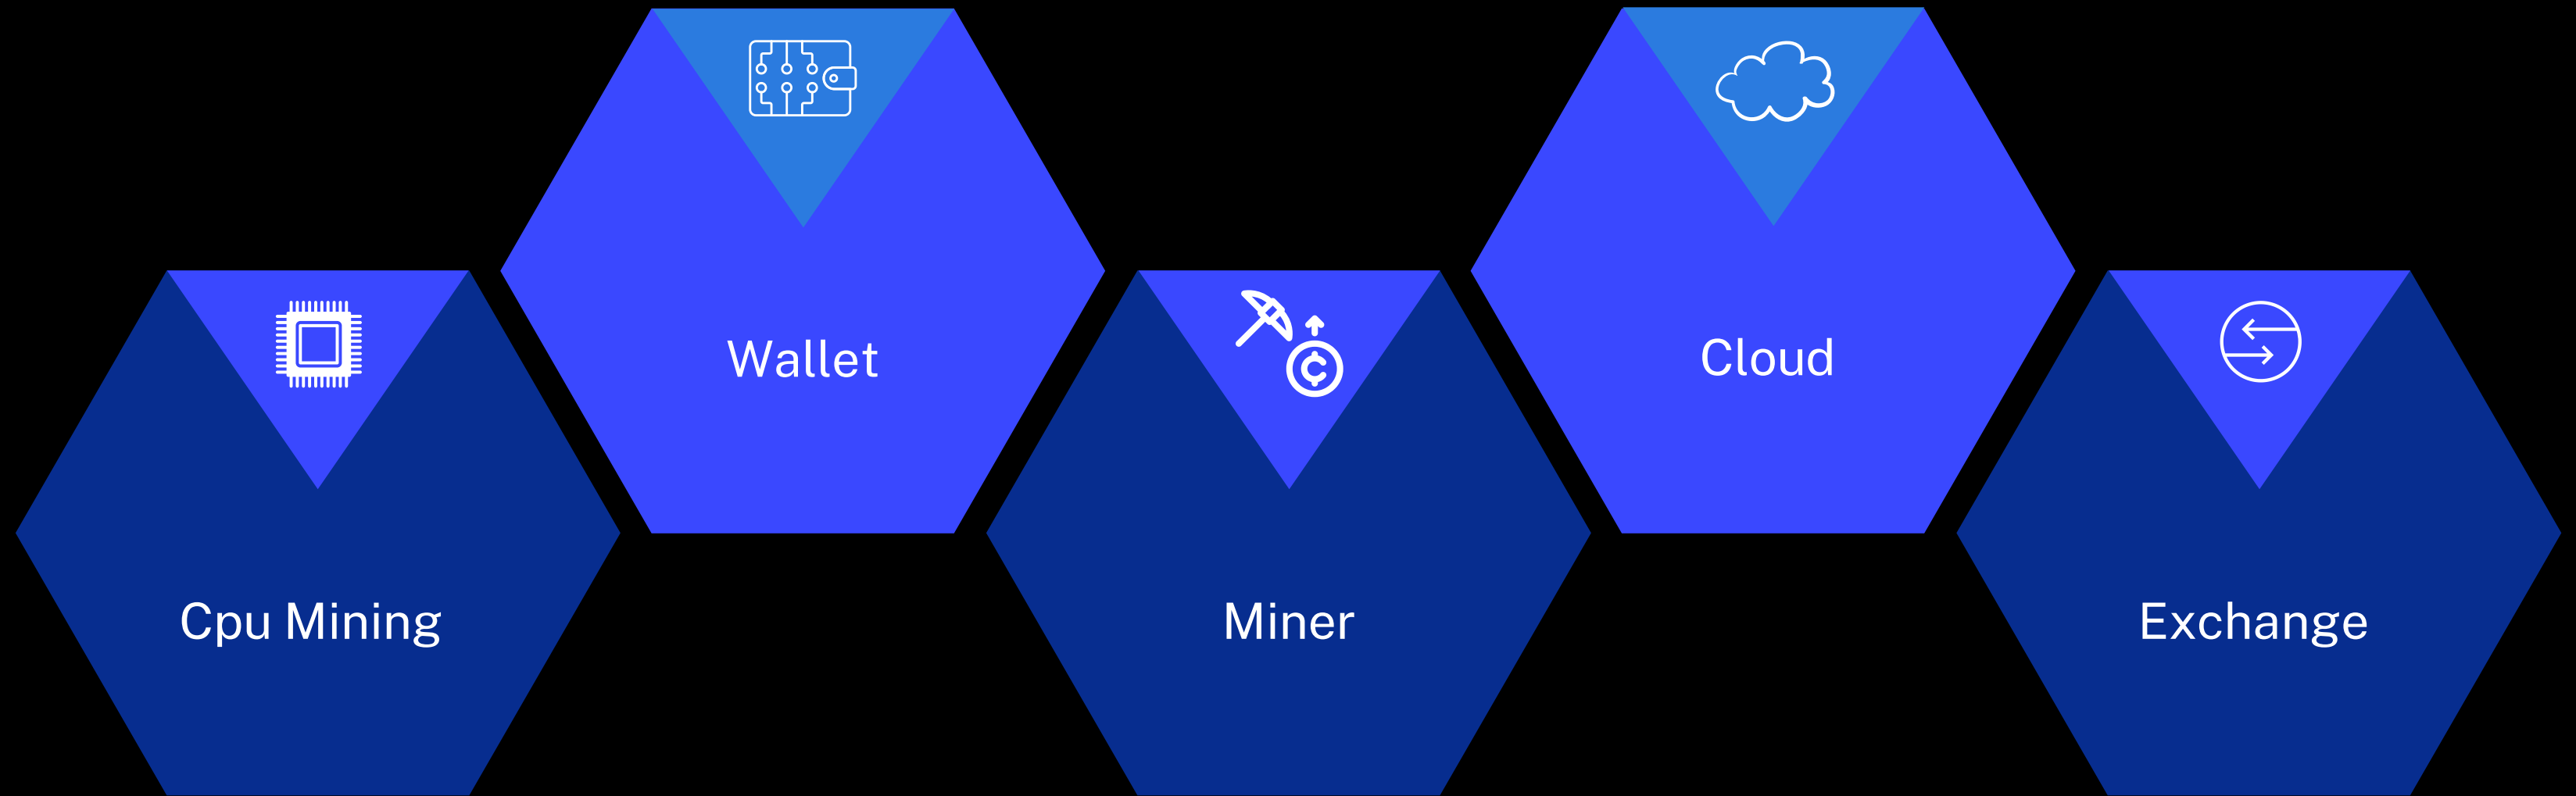

2%
Dev team

To support our team and efforts towards expanding the token.

2%
Buyback/LP

We will buy back big dips and provide Liquidity back to the pool. This is to ensure stability in price and insurance to the community.
